BASIS FOR PROPOSED PROPRIETARY PROCUREMENT

The PACs placed on record indicate that the specified make/model or proprietary article is required for the intended application and that the identified OEM/manufacturer or authorised source is the concerned source for the required article. The PAC documents shall form part of the procurement record and shall be examined along with the technical requirement before finalization of procurement.

INVITATION FOR OBJECTIONS / ALTERNATIVE SOURCES

Manufacturers, authorised distributors, authorised dealers and other prospective suppliers are hereby invited to inform the Institute, within the prescribed period, if an alternative make/model or source is available which fully meets the technical, functional and compatibility requirements of the Institute.

Any objection or alternative proposal shall be accompanied by sufficient documentary evidence establishing the availability and suitability of the proposed alternative, including relevant technical literature, OEM authorisation, model details and other supporting documents, wherever applicable.

The Institute may examine the representations received and, where considered necessary, seek technical verification from the concerned Indenting/Technical Authority before taking further action.

PROPOSED FURTHER COURSE OF ACTION

In the absence of any substantiated objection or suitable alternative source within the stipulated period, the Institute may proceed further with the proposed proprietary procurement in accordance with the applicable provisions of GFR, 2017, including Rule 166 relating to Single Source Procurement, subject to approval of the Competent Authority and completion of all prescribed procurement formalities.

SUBMISSION OF RESPONSES

Objections, alternative-source details or quotations, if any, may be submitted to:

Section Officer (Purchase & Store)
ICMR-NIRBID, KEM Hospital Campus, Parel, Mumbai – 400012
Email: icmrstore@gmail.com
Latest date and time for submission: 23/11/2026

Responses received after the prescribed date and time shall not be considered. This notice is issued for obtaining transparency and wider opportunity for identification of any technically suitable alternative source and shall not be construed as a purchase order or commitment on the part of the Institute.
